

Overseas Visitors

This month we welcome two lots of visitors from across The Pond. The choir of Trinity Church, New Haven, Connecticut and St Luke's Choir from Ontario will sing at various services in July. See Cathedral diary on the right for full details.

Lego Update

The Number of bricks down on our LEGO ® model of the cathedral at the time of writing is 23,500. Continued thanks go to our excellent team of volunteers who man the model and greet our visitors. Kits in two sizes are available in our shop and are already collectable! The small kit is £35 and the larger one (with over 2,000 bricks!) is £150.

Looking Ahead to Summer Fun!

The Cathedral has partnered with Kinetic Adventure to inspire young people to have fun learning with maths, science, engineering and IT. They will be providing free events at the cathedral in the summer holidays:

Chemistry!

On 8, 9, 10 and 12 August there will be science fun including experiments that can be done in your own kitchen. What can we find out about smells of food and can we recognise them by their smell. Enter our mini science lab for a session to test what we know about food and cooking. Drop- in to the many activities from 10 am -12 pm and 1 pm to 3 pm.

Make and Race your own mini vehicle!

On 16, 17 and 19 August children can design and build their own vehicle and learn how to power it with chemistry. Join us to make a travel machine and race it to see how fast it goes.

Pilgrims' Kitchen

Warm welcome, Homemade food, Great coffee.

Paddy and Scott's Coffee, Fairtrade tea, homemade cakes, scones, soups, seasonal lunch menu, locally sourced ingredients, local beers and wine, walled garden and free Wi-Fi.
